### **Explanation of the Scorpion Refund Policy**

Scorpion Wrestling Club is a non-profit youth wrestling organization run entirely by non-paid volunteers who devote countless hours without any compensation whatsoever, to help keep the costs of the program affordable for the kids in our community. Each year the Scorpion Wrestling Club accepts payments for registration, which is the primary means of funding the program. In order to run a viable and successful program, Scorpion Wrestling Club must receive payment and commitment from the parents, in the form of payment in full BEFORE the season ever begins.

Each year, Scorpion Wrestling Club base their commitments for teams, insurance, equipment, uniforms, and other costs on the current year's registration deposits.

***A large part of the money received each year is spent before the season starts, and 100% of the money is spent or committed to be spent, by the first day of practice.***

Scorpion Wrestling cannot issue refunds to people who decide to leave the program, after the money has been spent, because Scorpion Wrestling cannot receive refunds from the equipment suppliers, IKWF, insurance companies, facilities rental locations, or other costs for items already spent.

Any member who feels that they are entitled to a refund that is outside of this policy can appeal to the Board in writing by mailing a written explanation to Scorpion Wrestling Club, c/o John Gura, 1713 Ariana Dr, Bartlett IL, 60103. The matter will be discussed by the Board as soon as they can, and a decision will be given to the member appealing this decision. The Board's decision is a final decision.

Please note that this policy is available for public viewing on the Scorpion Wrestling Club website, and is printed on the Registration form that serves as a legal contract upon signature or upon issuing Scorpion Wrestling any money for registration.
